CHAPEL GREEN

DEFOREST

THERE'S PLENTY OF GREEN TO ENJOY IN THIS DEFOREST NEIGHBORHOOD. You'll have a city park bordering the north side, and another one to the south. Chances are, one of them literally will be right out your back door. And we haven't even mentioned the environmental corridor, with a winding walking path and a seasonal stream. Use it to stroll with the stroller, romp with the dog, or visit with your neighbors – and check out the park in their backyard.

DIRECTIONS

From I-94, take Hwy. V east, then go right on River Road and right on South Street.
