

COVID-19 CUSTOMER STATEMENT (Updated June 2, 2021)

Your safety and wellbeing remain top priority to us at Veridian Homes. We continue to follow recommendations put forth by the CDC and monitor the spread of the COVID-19 pandemic. We ask that you abide by our policies, as outlined below, out of respect for our team and our customers.

WHAT TO KNOW IF YOU PLAN TO VISIT OUR DESIGN STUDIO OR OUR OPEN HOUSES.

Customers who are not vaccinated, or not fully vaccinated, should continue to wear a mask or face covering and continue to maintain physical distance throughout the entirety of their visit with us. Masks and face coverings are considered optional for fully vaccinated customers.

All individuals are required to sanitize their hands upon entry to any Veridian Homes building (Design Studio or Open House) and must be able to answer "No" to the questions below.

If you are planning to visit our Design Studio or one of our Open Houses, we ask that you only enter the building if you can answer "No" to the following questions.

1. In the past 14 days, have you, or anyone in your home, been in direct contact with, or have been diagnosed with, COVID-19?
2. In the past 14 days, have you, or anyone in your home, been in the same indoor environment with someone who has been diagnosed with, or is showing symptoms of, COVID-19?
3. Have you recently lost your sense of smell or taste?

For the safety of our team and other guests, if you do not feel well at your time of visit, we ask that you reschedule your appointment.

Should you need to self-quarantine, or simply wish to work with us remotely, we will continue to ensure a smooth virtual process for you. We are working with our Sales, Design and Construction teams to navigate through this pandemic in a calm and fluid manner. We have also dramatically increased our remote access capabilities for our customers.

WHAT WE'RE DOING TO CREATE A SAFE ENVIRONMENT.

Your safety and wellbeing are top priority to us at Veridian Homes. We have been and continue to follow the recommendations put forth by the CDC and are closely monitoring the spread of the overall COVID-19 situation. Our facilities are thoroughly cleaned and disinfected daily. You will also find several hand sanitizers throughout the building for your access.
